No B 11 P R 2/52-53 of 7 11 52

Forwards Resolutions dated 22 10 52
and 29 10 52 of the Corporation & on the subject

A list of fresh and enhanced
grants proposed to be sanctioned by
the Corporation during 52-53 with
the relevant Resolutions of the Corporation
is sent up for sanction

2) It is seen from the Revenue
column of the Statement sent by the
Commr. that grants are proposed under
reference to the provision recommended
by the Corporation while approving the
budget. But the Govt have reduced
the allotment under grants for public
health institutions by Rs 5,000/- and
under grants for Reading Rooms by
Rs 2,000/- to balance the budget in
view of the reductions made in the
anticipations on the Receipts side
which in some cases were found to
be overfructified

3) The Standing Committee (Taxation
and Finance) is reported to have
recommended for the sanction of the

6143/21

Fresh and enhanced grant functions by the Corporation for the year 1952-53

grant as originally recommended by the Corporation and that the matter being placed before the Corporation unless the Govt accepts the recommendation of the Corporation, the provision now sanctioned must be created. The present recommendation is in view of the Budget provision made of the Govt approval to the recommendation of the standing committee (C.T. & F) for enhanced allotment in modification of the previous sanction.

The Secretary to the Government of Mysore,
Local Self Government Department,
B A N G A L O R E

SIR,

SUBJECT - FRESH AND ENHANCED GRANTS SANCTIONED BY THE
CORPORATION OF THE CITY OF BANGALORE FOR THE
YEAR 1952-53

With reference to your letter No.L 20304/C M 21-52-53 dated 18th February 1953 intimating that it would be possible to sanction the above proposal on pointing out any other satisfactory source of meeting the expenditure etc, I write to state that the resolution of the Corporation reiterating their original budget proposals has already been forwarded to the Government with a request to sanction the same. As the resolution relating to the budget contains so many other points for the consideration of the Government it is not known whether the same would be received duly sanctioned at an early date

It is therefore proposed to re-appropriate the amount required viz Rs 9,216/- out of the sum of Rs 16,100/- provided in the current year's budget under "E Mis Accounts (3) contribution for preparation of Master plan of Bangalore" as this item of expenditure has not been incurred so far and will not be incurred during the current year. Necessary provision has been made for this item (viz Master plan of Bangalore) in the next year's budget.

I therefore request you kindly to obtain sanction of Government early for the above subject, as these grants have-

P T O

have to be paid before the close~~ing~~ of the current
Official year as other-wise provision made in the
current year's budget will lapse.

Forwarded with compliments.
